- Project 1: TELA Thonglor Sky Villa (Branded Residence, Bangkok)

1. TELA THONGLOR SKY VILLA

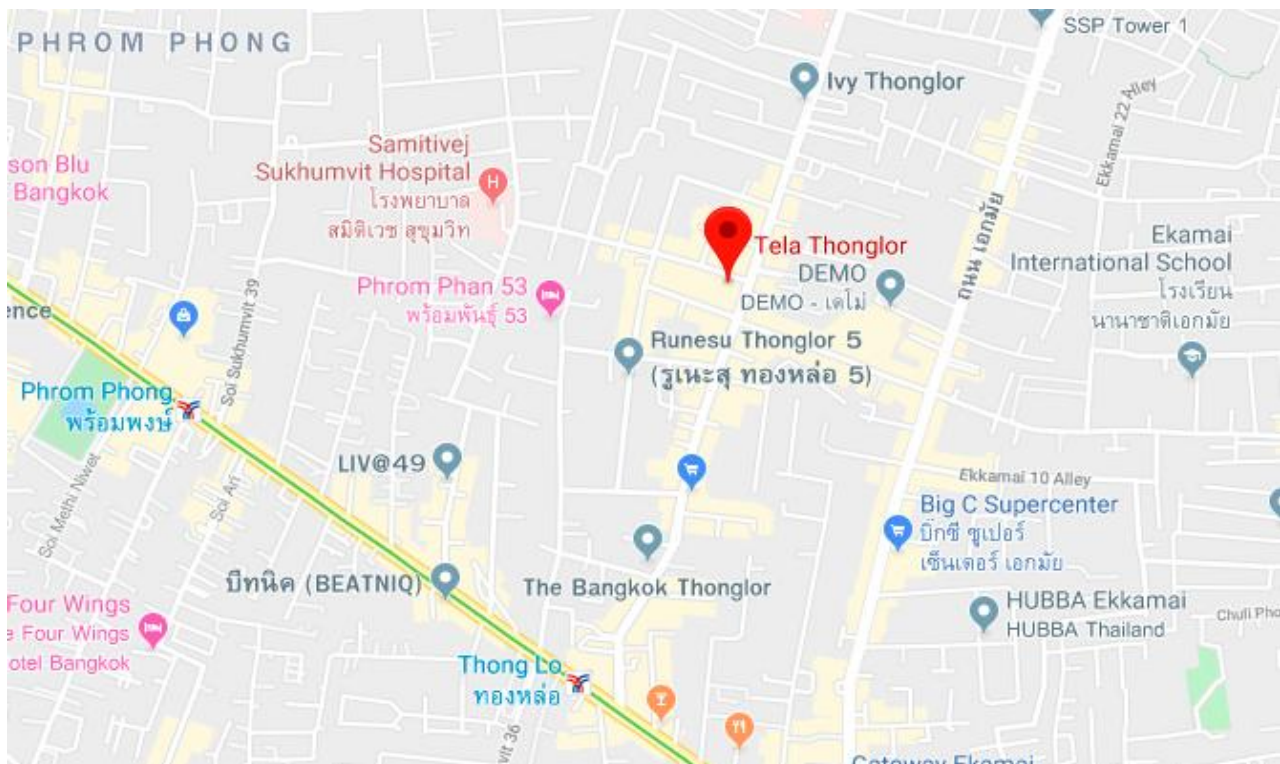

Project Overview

Developed by Gaysorn Property, TELA Sky Villa is a one-of-a-kind ultra-luxury penthouse occupying the top floors of the new 32-storey TELA Thonglor luxury residential building. Comprising 84 residences, the crowning glory of the complex is the Sky Villa, a 3 plus 1 bedroom duplex penthouse measuring a palatial 349 sqm. Furnished with Roberto Cavalli Home Interior by DMHOME from Thailand, the spectacular penthouse has been glamorously decorated with sophisticated accents, precious materials and exquisite furniture, creating a luxurious and eclectic setting. TELA Sky Villa is the first Roberto Cavalli branded residence in Thailand.

Location map

As the name indicates, the new development is located in the trendy and upmarket Thonglor area.

The 32-storey landmark building comprises 84 luxury residences.

The homes range in size between 111 sqm for the 2-bedroom suites, 201 sqm for the 3-bedroom suites, and 235 sqm for the 3-bedroom duplex signature suites; all boasting a ceiling height of 3.20 metres and floor-to-ceiling windows to enjoy panoramic views of the city's skyline.

Roberto Cavalli is known for his love of animal prints. The new collection embodies a tropical lush jungle combined with glam-chic.
